

SMOKING CABIN COMPACT

SMOKING CABIN

The smoking cabin Compact is ideal if you would like smokers and non-smokers to stay in visible contact with each other.

The combination of intensive air cleaning and the odourless storage of ash and cigarette ends ensures that the surrounding area remains free from annoying smoke and smells.

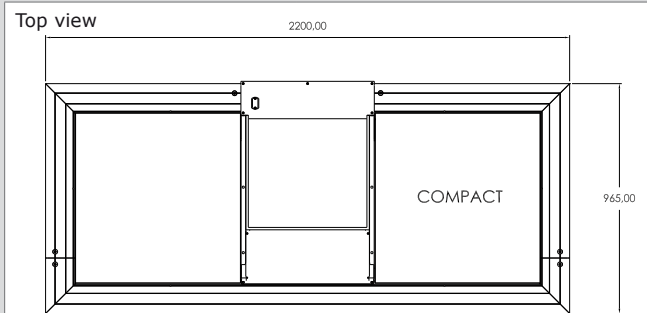

The smoking cabin Compact is flexible in size and equipped to fit any interior. The smoking cabin is available in four basic models: **Compact, Mezzo, Espace** and **Plaza**.

TEST CERTIFICATES

Tested by renowned test institutes like ECN and TÜV.
